Mom.

If you're watching this video
I'm probably dead by now

Mom, do you remember?

The kids from our neighborhood
used to make fun of my height

And you told me every time
I came home crying

They're making fun of you
because they're jealous

You told me not to hate them

You said hating them
only makes it harder for me

Mom.
I don't know when you'll see this video,
but I want you to make me a promise.

Don't hate anyone.

I don't want you to hate this person.
I don't want you to hate yourself.

I will hate this person.

I'll be the only one to hate myself.
It'll only be hard for me.
So, don't hate anyone.

Mom, I'm going to die.
I'm pretty sure.

I won't feel anything soon.

This pain and this sadness...
I won't feel anything soon.

I'm okay. Don't cry because of me.
Don't be hard on yourself because of me.

Mom, I'm sorry...
I'm sorry that I'm the daughter that I am.
I think I may have asked you for something difficult

Mom, it's hard for me to talk now...
I'm slowly losing my strength.

It's getting blurry.
I'm getting sleepy...

Mom...

To be honest it hurts It hurts so much
I'm sorry I lied. It hurts mom. It hurts so much
I'm scared, mom.
I'm scared
Mom, where are you?
Mom?
Mom?
Mom?

Mom...

Mom ..
It hurts so much.
My legs hurt so much

Mom...
My legs hurt so much...

Mary. My daughter...
I'm sorry. It's all your
mother's fault...

Mom is sorry...
